Song: 4 Hands | **Artist:** Koresh aka Sirius
Album: 2 SIRIUS (B) | **Sirius Instrumental**

Intro
(1 Thessalonians 5:1-4)
But concerning the times
and the seasons,
brethren,
you have no need
that I should write to you.
For you yourselves know perfectly
that the day of Yahweh
so comes as a thief in the night.
For when they say,
"Peace and safety!"
then sudden destruction comes
upon them,
as labor pains upon
a pregnant woman.
And they shall not escape.
But you, brethren,
are not in darkness,
so that this Day
should overtake you as a thief
(1 Thessalonians 5:9-10)
For Yahweh did not
appoint us to wrath,
but to obtain salvation
through our Sovereign
Yahushua HaMashiach,
who died for us,
that whether we wake or sleep,
we should live together with Him.

1st Verse
Bringing an relevant message
to all that are listening son
I ain't here to front
Just trying tell you
all what's going on
There's a lot wrong in the world
and it has been too long

Mostly because countries
supposedly not getting along
Going to war making a ton of money
From selling homies a gun
And they won't
stop it until is all gone
Man I'm stunt
That all these governments
actually have fun
From killing families and
even their mom
All due to their plan
Illuminati decided
there're too many people
Residing on this PL∆N3†
so is killing indiscriminately
Obviously mostly focusing on us
so called minorities
Depopulation is
one their main priorities
Yahweh has sent His Son
To rescue us son
Just believe he was Born
Scorned, his flesh got torn
Hung, till life was gone
Then on the third day rose
By the Power of the Father
Yahweh the Most High
Yahushua, the Way
Confess it and be saved today
He's the Truth and the Life
That I will testify
Until the day that I die
Just remember is for him that I ride
And for thee, those by my side
The pain may be strong
But quietness comes after the storm
Listen to the song
cause you're being informed

4 Hands

About the bliss
approaching in the greatest form
So when I die
I don't want nobody to mourn.

Chorus x2
I got 4 hands
Two of 'em are always praying
The other two keep writing
every word that I'll be saying
I got 4 hands
Two of 'em are always praying
The other two
hold the spirit and the crown
that'll be wearing

2nd Verse
For now we in a constant battle
The flesh always trying to
bring us down
Keeping us bound, giving us doubt
When the spirit only
wants to help out
With the only way out
While the soul is choosing how
To proceed
Whether generosity or greed
Love or feed the hate
bombarding us everyday
You can either kill or decide
to sow a seed
See it grow, as the spirit flows
Let the Father provide
Lead, those who have a need
Take heed
soon is the harvest of the rest
and those thrown in the winepress
Finally get rest
Find justice for us in this mess
That we living in

But we're leaving with the evening
This reality is sickening
And soon is finishing
I hope you're listening
Cause we shall live again
All that believe in him
After the moon gets red
As it was said.

Chorus x2
I got 4 hands
Two of 'em are always praying
The other two keep writing
every word that I'll be saying
I got 4 hands
Two of 'em are always praying
The other two
hold the spirit and the crown
that'll be wearing

3rd Verse
The Son of Man against the Beast
Illuminati is soon to die
to say the least
That's what it is
David against Goliath
The future king against the giant
The System built against the I AM
For that, to it I am defiant
Straight from Sion
The real
not the one everyone is buying
Which soon will be frying
So start the crying
Even if you kill me
I'm never dying
It would be a nap and that's that
You'll get frighten
You'll be nothing
As nowadays in

4 Hands

which you only fronting
I'll tell you something
The end is coming
With it your sobbing
To each its share
For everything they dared to do
while on this Earth
Even your god shall be scared
Seeing what he will have to bear
No longer light
only fear, pain and tears
From its lazy eye
Getting blind
Peace he shall never find.
While I'll be more than fine.
