

**Song:** This World of Death | **Artist:** Koresh aka Sirius

**Mixtape:** Sirius SoulYah | **Instrumental:** Daga

**Intro**

George Carlin:  
Now, you wouldn't know it...  
for some of the things I've said over  
the years  
but I like people.

**1er Verso**

De Camino a Sion  
nos topamos con  
más de una situación  
que nublan la visión  
probando el corazón  
En una que otra ocasión  
la vida parece un cuestión  
cuesta la decisión  
al escoger dirección  
¿Este, OEste?  
parece la misma cuestión...  
razón por la que termino  
en la misma posición  
este mundo es confusión  
en círculos como  
Yisrael en el Desierto  
Si es cierto  
Yahushúa, 3 Días y estoy adentro  
por qué es que esta carne  
me vuelve lento  
siento pensamientos que buscan  
quitarme el aliento  
quizá por lo que pretendo  
el fuego yo lo prendo  
en su mente con lo que comprendo  
lo que veo que viene con el tiempo  
cada Tick Tock  
nos pone más cerca  
de ese momento  
así que espero esté despierto  
escuchando, no sólo oyendo

viendo lo que estoy diciendo  
aquel que lee,  
que tenga entendimiento  
el resto apague y vaya  
que esto sonará violento  
más rápido que su discernimiento  
Pues el ojo ante la mano  
se queda lento  
espero me esté siguiendo  
este mundo le está mintiendo.

**Chorus x4**

In this world of Death  
Being alive, is a Lie  
in this world of Debt  
Everyone's Phony over the Money

**2nd Verse**

The love of it  
the root of all evil  
deceives the heart to  
follow an illusion  
that's only Dissolution  
so the Solution  
make use of Volition  
before falling into perdition  
make a decision  
aline your will with the Son  
the Way to Yahweh HaAdon  
be free from prison  
listen to ReaSon  
reason was given for a reason  
so was logic  
so it should be logical to reason  
society deserves logical derision  
looking to the world  
I see it sinking  
this is the season  
the harvest is ready for the picking  
and I don't know

# This World of Death

what people are thinking  
what you sowed is  
what you will be reaping  
so very soon you will be weeping  
and Satan will be whipping his sons  
till the evening  
even him  
will be dead at the end of the event  
while Eve and I, we gonna fly  
like eagles through the sky  
to the Most High  
the rest are gonna die.

## **Chorus x4**

In this world of Death  
Being alive, is a Lie  
in this world of Debt  
Everyone's Phony over the Money

## **3rd Verse**

That's why you need the Messiah  
to get Higher and reach the Father  
after leaving the Lier and his Desires  
enter Eternity with certainty  
before the Almighty  
after the very end of HiStory  
don't you...  
don't you...  
don't you agree?  
otherwise be sorry  
at the end of your story  
why not enter the kingdom is free?  
literally  
unless you don't wanna be free  
Eat of the tree  
he who rose after three  
days and nights  
above the heights  
now ready for the heist  
and kill the AntiChrist.
