

Song: Run From the Future | **Artist:** Koresh aka Sirius
Album: 2 SIRIUS (B) | **Sirius Instrumental**

Intro

This time in history
Is the time of history
(Run from the Future)
Many have wanted this moment
(Tonight is the night)
But does no one really know it
Or is even prepared for it
Their time will pass and they
won't know it
I'm sure of it
"I pray to Yahweh every night to lead
us right across"
"Whoever goes first"

1st Verse

Buffalo bill, bout to be killed
By Ephraim, the bull of the hill
This ain't Silence of the lambs
I'm the thunder on the amps
Spiritual Science in Jams
Lighting up lamps
sealing the stamps
Blow the Last Trumpet blast
In the last moment
But not so fast
I'm starting the task
This is my world, you better pay tax
Lay on the grass
Came to get rid of the rags
And put it on wax
not touching the flax
Sun burning the vamps
Scorching the damned
My rap, the wrath of the Lamb
I flow through the land
and go up like a ramp
In the clouds like a falcon
Bout' to blow the dam

Flood of judgment on Sam, the Ram
And all of its fam
Fake like a scam
ready to fall, H.A.M
Spin your head, I'll make you my fan
A shame of a legend
Who got to the end of the edge
Bet he will meet an end
during judgment
No sentiment
Justice done with Satan and its clan
About to see it in an instant
And instantly the wicked
Will meet an end
In the end your meat will be given
To the birds that flyin the sky
No lie
But the words of the Most High
Spoken by the prophet Jeremiah.

Chorus x2

"Watch for the Second coming
Cause I can see the sun"
Behold
the day is coming
burning like an oven
"Run From The Future"
"Watch for the Second coming
Cause I can see the sun"
(Malachi 4:2)
"Murder, murder Mr. Lucifer"

2nd Verse

Time has come
he is gonna run out of his home
he's done
No place for wrong
Here comes the Sun
(Run from the Future)

Run From the Future

I'm here to burn the son of perdition
Every legion
The world's religion
With the pigeon
The Spirit my engine
The seals are breaking
The Trojan horse is entering
Can no one imagine
What's happening
Like I'm rapping in mandarin
You can understand nothing
As tangerine, you fruity
soft as margarine
Ready to drop in the can like sardine
But the virgin ready like a marine
The end is nigh
Signs in every sight
They're blind inside
So they hide
In what has them bind
They will never shine
Or find what they have in mind
Don't cross the line
I'm here to take what's mine
(Run from the Future)
Don't accept the Illusion
Take caution from the motion
of the serpent and its poison
Get the notion of spiritual abortion
As the portion for the evil option
And envision the Dragon
fall in a Dungeon
For treason lost
in the valley of Decision.

Chorus x2

"Watch for the Second coming
Cause I can see the sun"
Behold
the day is coming

burning like an oven
"Run From The Future"
"Watch for the Second coming
Cause I can see the sun"
(Malachi 4:2)
"Murder, murder Mr. Lucifer"

3rd Verse

So many falsehoods
Followed by the new apostles
Leading the masses to
their destruction
Waiting for a Rapture as departure
Will get them captured
by the creature
(Run From the future)
Thank you preacher
For the seizure
Not understanding the season
Made you not enter the leisure
Ignoring the Scripture
Gave the church another picture
Of how things would venture
Turned the arrow into a centaur
Going after the traitor
cannot see the mentor
Right in the center
bull's eye
(Murder Mr. Lucifer)
Baal's matador, the defender
The truth I gotta render
For they after the hater
With a complex of grandeur
Furthermore, they love the whore
And don't know
what they have in store
For their sin they bore
A lot of gore for sure
They by the shore
And cannot see the door

Run From the Future

Is a mirror, just like before
Expecting a Lamb
will miss the roar of the Lion
(of Yahudah)
Walking straight to Sheol
instead of Sion
(Murder, Murder Mr. Lucifer)
Waiting for the ass
will not see the stallion
The nations will fall
before my battalion.

Outro

I have seen the wicked
in great power,
And spreading himself
like a native green tree.
Yet he passed away,
and behold, he was no more;
Indeed I sought him,
but he could not be found.
Mark the blameless man,
and observe the upright;
For the future of that man is peace.
But the transgressors
shall be destroyed together;
The future of
the wicked shall be cut off.
(Pray to Yahweh every night)
Psalm 37:35-38
(Pray to Yahweh every night)
