

Song: Illuminati | **Artists:** Spiracy & Sirius
Mixtape: The Countdown | **Instrumental:** Spiracy

Intro | Koresh

We have before us
A Luciferian society
Trying to forge
For all of them and a few of us
A new world order
A world with the rule of no law
Where they rule the conduct
of all nations

Chorus | Spiracy

Illuminati,
you will not take control
your New World Order
will lead to none at all
Illuminati
Illuminati
Illuminati
Illuminati

2° Verse | Koresh

Illuminati,
a Secret Society
Ran by the first batty bwoy
Lucifer who fell down practically
To bring a New World Order
to this reality
Thanks to people
you all believe to be
Working for the good of you and me
Are those running the city
Or the town, however Jay said it
Open your ears if you haven't read it
This is real,
I ain't no storyteller,
However,
you need faith and the Book to get it
Next to vanishing all preconceptions
Forget all recollection

of past indoctrination
Understand that the end of time
has been predestined
I'm just a guest in this mess,
controlled by the U.S.
Bout to burn down, so we can rest
With no bitches,
who bow down to Bilderbergs
See the CFR burning far,
nothing but a group of filthy snakes
Where every member in the
lodge is fake
No one knew their soul was at stake
Till they lost it in the way
Of getting into a higher
Freemason state
Let's see,
1st degree
you in the list, to maybe be,
But to them, not really
Go into 2nd, there you go
now you a fellow (craft member)
To later be entered into tercero (3rd)
To start climbing up Jacob's ladder
To find out Satan is your father.

Chorus | Spiracy

Illuminati,
you will not take control
your New World Order
will lead to none at all
Illuminati
Illuminati

Illuminati

George Bush Sr.

We have before us the opportunity
to forge for ourselves

Illuminati

and for future generations
a New World Order
— a world where the rule of law,
not the law of the jungle,
governs the conduct of nations.
When we are successful
— and we will be —
we have a real chance
at this New World Order,
an order in which a credible
United Nations
can use its peacekeeping
role to fulfill the promise and vision
of the U.N.'s founders.
